

Controller

Location

We are looking for a passionate Controller to establish financial policies and reporting systems to support our Executive Team at our offices in Salzburg, Attersee, Vienna, and Belgrade or remote. Employment possible part-time, full-time, or as a freelancer.

Responsibilities

- Monitor and confirm financial condition by conducting audits.
- Prepare budgets by establishing collecting, analyzing, and consolidating financial data.
- Create reports by collecting, analyzing, and summarizing information and trends.

Your Profile

- Experienced in managing processes, financial software, and the tracking of budget expenses.
- Financial skills in developing budgets and performance management.
- At least 3 years of experience as a controller in a software development company or technical medical environment.
- Work structured and independent but also collaboratively as a team.

Prospects

- You work side-by-side with pioneers, passionately contributing to our common vision - Shape a Digital Health Assistant to revolutionize diagnosis and treatment.
- Ideas and suggestions are highly valued and evaluated in quick decision-making.
- Your responsibilities grow with the company and your achievements.
- If you work at one of our Austrian offices, the monthly full-time employment compensation is € 2.338 - 3.371 gross at 38,5 hours per week and 14 salaries per year (according to the Austrian Collective Bargaining Agreement for IT 2019). Overpayment according to your qualifications and experience is provided.

About Symptoma

Symptoma is a digital health assistant improving diagnostic quality. Its highest diagnostic accuracy rates raise the bar in this industry.

Users enter symptoms & keywords so that the Symptoma AI asks related questions and provides diagnostic reasoning.

Interested?
